### **Re: Exceptions to the 10 Person Limit at Louis Vuitton America's Cup World Series Regattas**

The Protocol amendment to Article 25.6(e) agreed in the July 22 Competitor forum allows me the right to make determinations that vary the individuals on the list. This allows me to deal with unexpected situations at the regatta such as illness or injury.

Competitors must understand that I do not have the authority to vary the Nationality Rules described in Protocol Article 19.3 so the nationality requirements apply even if there is illness or injury.
