Re: Anti Doping Arrangements

Note: Regatta Director Notices 11 & 50 are deleted and replaced by this notice

Each Competitor shall supply details of a person who can be a contact between World Sailing and the team regarding the World Sailing Anti-Doping program. The details shall include the name, position, and email address of the designated team member. These details shall be sent to Esther Hanson at World Sailing via email - esther.hanson@sailing.org and copied to Melanie Roberts - melanie@acracemgt.com by 15 August 2016.

Esther remains the liaison point for each team's contact person or any individual sailor who has a question or needs assistance regarding the World Sailing Anti-Doping program.

World Sailing will continue to brief teams and individuals on their requirements to comply with both the in-competition testing and the out-of-competition testing.

I also refer Competitors and individual sailors to the World Sailing Racing Rules of Sailing (including the schedule that contains the Anti Doping Code) that has been accepted by all Competitors and by World Sailing to incorporate the rules regarding Anti-Doping for the 35th America's Cup.
