REGATTA DIRECTOR NOTICE #62

Issued 03 January 2017

Re: AC Class Blackout Period Dates

I would like to draw to your attention Protocol Article 35.5(d) that requires Competitors to provide me the date of their nominated blackout period. This must be done prior to the commencement of the blackout period.

The team principal, CEO/General Manager or skipper of the Competitor can email me detailing the first calendar day that the blackout period will commence from. If a Competitor's AC Class Yacht has been launched, I ask that details of the components on the yacht when it was afloat are also included in this email.

Iain Murray
Regatta Director
